1. Background

Achham Multiple campus was established in 2048 B.S. campus. After the long and hard constructive role of the people of southern part of Achham district. Before that time, people depend on different campuses of Surkhet, Nepalgunj Doti, Kathmandu and other districts of the country and abroad education. From the establishment of this campus, there was of chairperson and other representatives of six VDC-Mangal Jupu Oligau Kuntibandali (Mangalsen Municipality) and catchments area members of Management committee and Higher secondary School and other schools of the catchment educator social workers donors and common people of the district.

At the initial stage, the campus has a programme of I.Com and B.B.S program had affiliated from T.U in 2062 B.S. Later three years B.Ed. Program was affiliated from the same university of great contribution of above mentioned people. So, these two programs have been running three years B.Ed. and B.B.S two programs under T.U and the campus administration is planning to run postgraduate in near future very soon.

At the beginning stage, the campus did not have its own land and facilities the classes had been taken in Shodasha higher secondary campus had minimum number of teaching staffs with 10 teaching staffs who were part time staffs. The number of students was low. There were 38 students in the beginning year of 2048 B.S. After affiliation of BBS program in 2062 B.S the campus got 10 two temporary lectures and some part time lectures. Likewise the number of students was also increased. Nowadays there are 15 teachers

Executive Summary

Background

Achham Multiple Campus was established in 2048 B.S as community based campus. At the initial stage, the campus has program of PCL (I.Com) later in 2062 BBS program of B.Ed. Then after three years B.Ed. program has been started in 2063 B.S. At present, there are seven campuses in Achham district. All are affiliated with Kathmandu University. These campuses are necessary for higher education for those who are deprived from higher education. However, unfortunately these campuses are in facing many problems such as shortage of manpower, books and other financial resources.

Academic progress:

Achham Multiple Campus is renowned Campus in the district. It was established in 2048 B.S. Since then, the trend of the enrolment of the campus is increasing every year. Among the total no. of enrolment students, girl's admission rate is increasing and janajatis enrolment are also high which can be seen in the analysis of the last two years. Two year Dalit, janajati and girls enrollment are in decreasing trend. The campus is also decreasing since last two years. At present in campus +2, four year B.A. and B.Sc. are running. The campus is using educational pedagogy as lecture method.

Physical progress:

In the initial, the campus was facing many challenges such as manpower shortage and sports materials but at present it is improving but not sufficient.

Financial progress:

Since last three years total numbers enrolment in each level is gradually increasing. The campus is also reducing. There is no other revenue source except regular income from UGC. The expenditure of the campus is in huge amount as compared to the income of the campus. The campus is facing financial issue. The issue raised by an auditors, campus administration and management are committed to implement their suggestion.

Social progress:

disaster.

- To provide hostel facilities to the students from remote area.
- To provide scholarship to the socially disadvantage, marginalized and backward students.
- To develop positive thinking to the people.

5.4 Plan for increased Involvement of society in the campus

Social institutions can't be developed without the social support. So that they must conduct the participatory activities for the society. Achham Multiple Campus has planned the following activities to increased society involvement.

- To fell ownership of campus by inviting them in various campus activities.
- To increase life members of the campus.
- To increase public participation in campus.
- To increase public contribution in physical infrastructure construction of campus.
- To conduct public audit of campus activities.

6. Issues and Challenges

Achham Multiple Campus has been facing many short term and long term Issues and challenges. Here we mentioned some these kinds of issues and challenges.

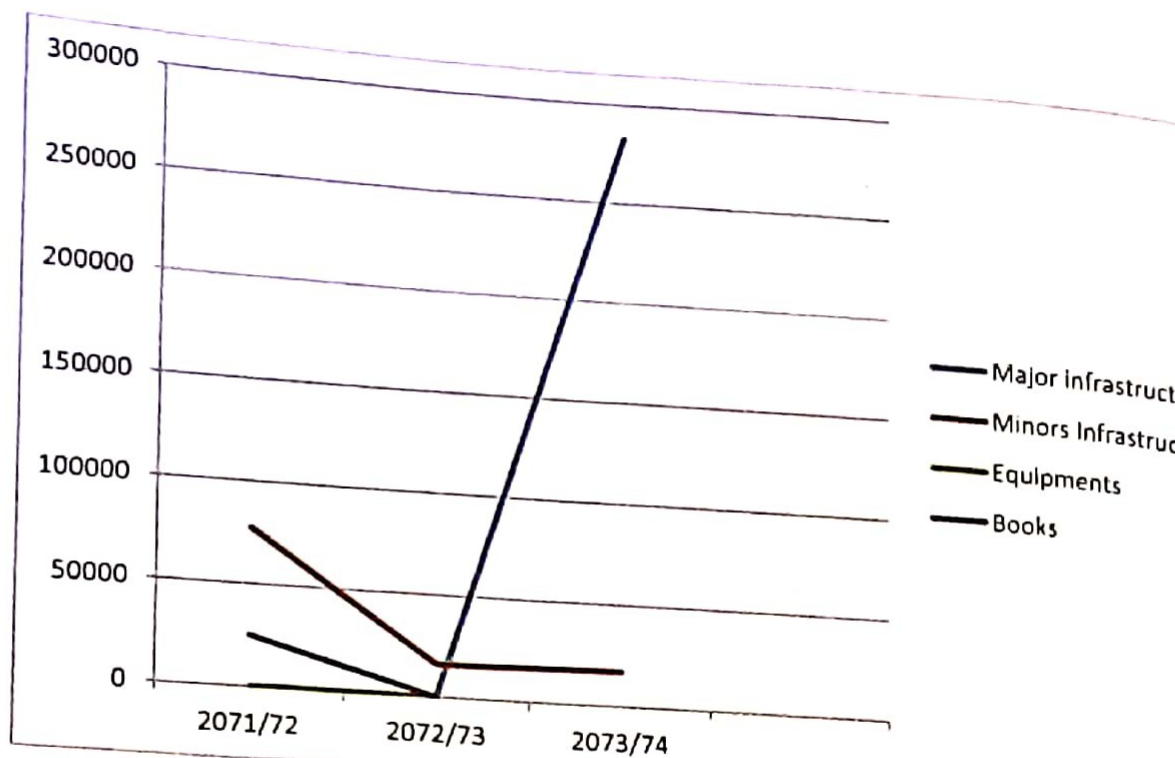

6.1 Short terms:-

- Lack of regular presentation of students in their class.
- Less effectiveness of existing academic programmes.
- Unable to add new academic programmes.

Challenges

6.3 Mitigating

- To increase infrastructure
- To improve the quality of teaching and learning
- To provide financial support
- To create a supportive environment
- To provide a safe and secure campus
- To provide a healthy and hygienic campus
- To provide a well-organized campus
- To provide a well-maintained campus

Capital Expenditure.

Above table and diagram shows major infrastructure in the last 3 years there is no major construction.

Minor infrastructure

In the initial year 2071/2072 minor repairing of building, furniture, Gro cleaner, fixing of grill and rallying made has been done and in the year 2072/073 .

Equipment

In the last years, Achham Multiple Campus did not purchase any equipment.

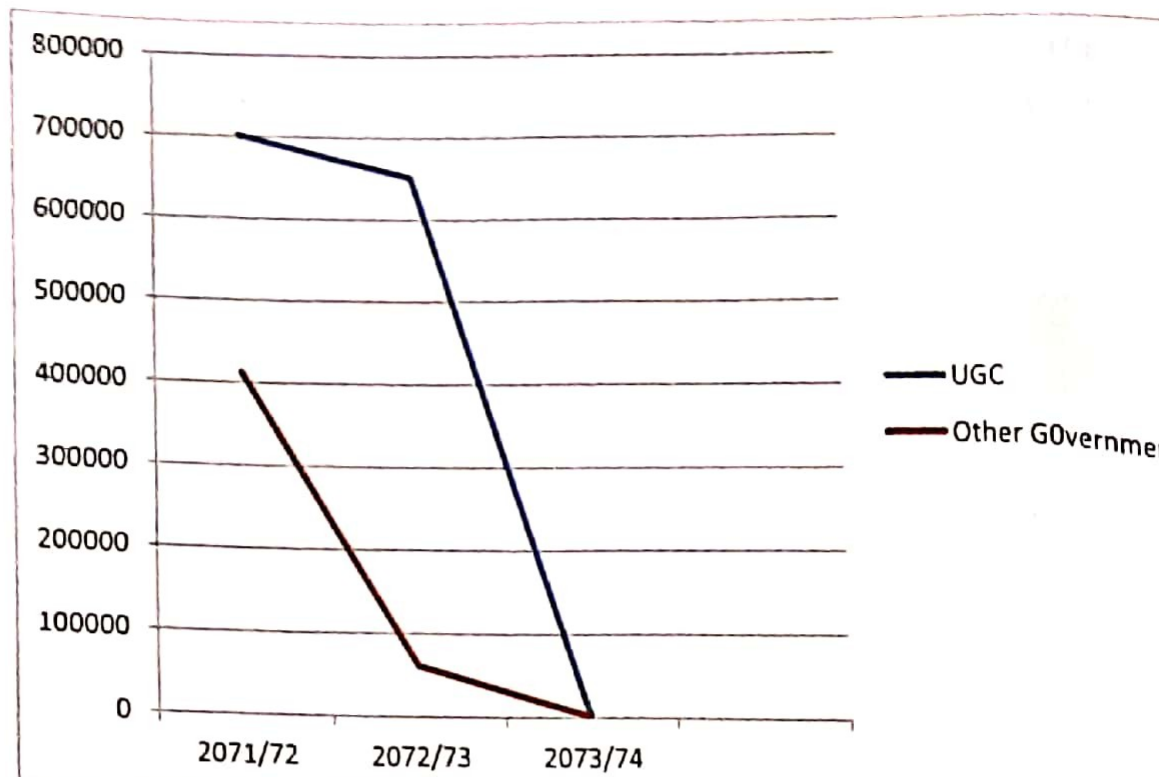

Books

The expenditure of academic year 2072/073 shows Rs.24682 which has been used for purchasing books . Remaining sufficient old books are available in the library at present. New curriculum is introduced by TU for bachelor level. So that more new edition will be purchased by next year.

4.3 Audit Observations/Issues and Step Taken to Mitigate the Issues Raised by Audit Observations in the last Fiscal Year.

1. Amount as advance given to the staff. This question is raised by an Auditor.
2. Remedies step to be adopted to overcome the poor financial condition of the campus.

Advance amount is recovering every month by an administration when the monthly payment is made to the staff. Therefore, the advance from concerned people is in reducing trend in every month.

Academic year, 071/072 regular grants of UGC was Rs.7, Regular grants from UGC is decreasing in 2072/073 and increasing of 2073/074.

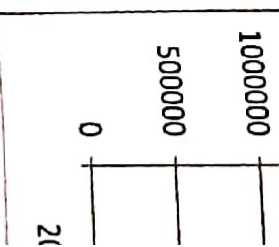

Other sources of income are government bodies such as DDC , Ministry of peace and reconstruction fund for the year 2071/072 & 073/074. There was no other sources of Grants in that period.

area, lack of library books and other materials so that pass percent is weak specially of female & educational disadvantage students.

2.4 Programs

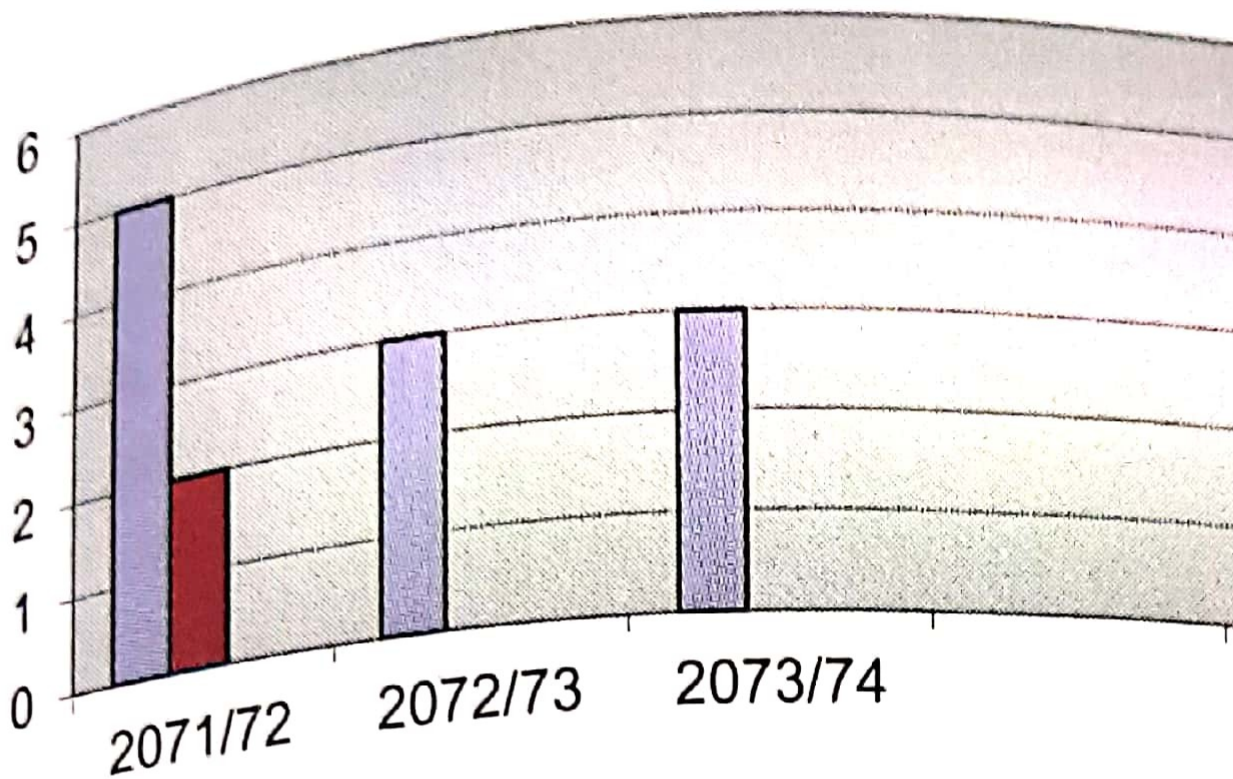

Achham Multiple campus was established after the affiliation of Icom (PCL) program from T.U In 2048 which was phase-out now because of the rules of TU. Currently three years B.B.S and B.Ed. programs have been running which are affiliated in 2062 B.s and 2063 B.s respectively and the campus is going to run M.Ed. programs in some subject in near future very soon as possible.

2.5 Education Pedagogy

Teaching learning is the major task of any academy institution which is necessary to maintain quality education. Considering this fact Achham multiple campuses has been giving emphasis for the proper teaching learning management in the campus. But one of the major problems is that the campus, cannot manage. Needy manpower, materials and equipments and other necessary accessories are for effective teaching and learning. Thus the teachers apply lecture method group task discussion, formal /Non formal project works self study by students etc. Techniques and methods are to make teaching learning more effective.

The number of total 86 enrolment students in the examination of B.B.S. first year but only 14 female students and only 1 educationally disabled student. After that academic year 2071/072 is compared with 2072/073 and 2073/74. It is going to improve 2071/072. In the same case

Figure No. 4
The multiple bar diagram shows the enrolment of B.Ed. second year in last three years

Academic year 2071/072 shows the enrolment of students are satisfactory because the percentage of pass rates and the transfers from other campuses and the female students are also satisfactory in the year 2071/072 .The number of students is decreasing drastically because most of the student is migrated for employment. This previous record shows total number of female students are increasing as compare to the total number of students. The educationally disadvantages students ratio same as previous records of B.Ed. first year
